Neither scrip purchases nor the \$500 cash payment are considered to be charitable donations for tax purposes.

Fundraising

Tuition does not cover the total cost of educating our students. In addition, Austin Jewish Academy offers tuition assistance to students who could not otherwise attend Austin Jewish Academy. Therefore, we depend on fundraising each year to close that gap and allow for new enhancements to the existing program. All families are expected to participate in a personally meaningful way in the fundraising efforts of the school. There are many opportunities for families to show their support. This includes contributing to the Inspire Annual Campaign to the best of their ability through direct donations and solicitation of donations, attending fundraising events and inviting others to attend, and soliciting for sponsors and auction items.

Additional Costs to Anticipate During the School Year

Other optional costs may include but are not limited to: Student photos, yearbook, library donation, school lunch program, *tzedakah* (charity) projects, athletic team fees, academic meet fees, and after-school enrichment programs.

For students enrolled after **March 31, 2023** a non-refundable Tuition Deposit of **\$1,800** is due **two weeks after the student(s) is accepted** to Austin Jewish Academy and the non-refundable Program Fee is due **eight weeks after the student(s) is accepted**.
